RE: 500 Mercer Condominiums

To Whom It May Concern:

This letter is written on behalf of Corporate Casework to acknowledge and express our appreciation for their commitment to quality and perseverance on the above referenced project.

Through a project that was fraught with untimely changes and numerous design revisions, Corporate Casework worked tirelessly to do all that was possible to produce customized cabinetry as expeditiously as possible while remaining committed to the quality work they are known for.

We want to extend our thanks for hanging in there to the end on a very challenging project. We hope to be able to have an opportunity to work with Corporate Casework again as we know they will continue their commitment to success.

Respectfully,

Geoff Stodola  
Vice President
